

Winter craft set

Dear children,

We look forward to the winter and want to decorate our school buildings beautifully and colorfully for the cold season.

Since we have the big event that we *with all the children* wanted to organize in the Hermann-Butzer-Schule, but not able to do so, there are handicraft templates for you At home.

We would be very happy if you have a lot of fun with it and bring your handicrafts (with your name) to the school for decoration.

Then we can use it to decorate our school and look forward to the winter.

This is included in your craft kit:

1. Snowman chain *²
2. Garland of hats
3. Star garland / window star
4. Tree balls *³
5. Bird feeder
6. Bookmarks (**only for your books*)

You can find big ones at school **snowmen** who join the company of the little ones *snowmen* *² and great **Pine trees** with the colorful *Bullets* *³ want to be adorned.

And here a little winter **story** for you ...
